Hi, I'm Gil Goodrow, and I want to thank you for considering **Northlight Studio** for your portraits. My goal is to ensure your satisfaction by providing quality portraits at an affordable price.

While we are working together, please keep the following in mind:

- A conference is required prior to your session in order to go over clothing suggestions, poses, hair, make-up, etc. This is very important to ensure that you receive the best portrait possible.
- The session fee is non-refundable and must be paid at the time the appointment is made.
- No extra charge for pets, props or friends (up to three people total). These are your photographs, so feel free to bring things that show your personality!
- If you wear glasses, it is strongly advised that you see your optician about borrowing an empty pair of frames for your shoot. This will eliminate unpleasant reflections and distortions.
- 50% of your balance (minus deposits) must be paid at the time your order is placed.
- The remaining balance (including tax) is due at the time you pick up your order.
- Orders not picked up within four weeks of being notified will be charged a 1% per day storage fee.
- Your satisfaction is very important. If you are not happy, please notify us as soon as possible so the problem can be corrected.
